DISTRIBUTORS FOR:

Freeborn shaper cutters

Powermatic woodworking machinery, (we do not handle their Taiwan products)

Carter Band saw guides

United Abrasives sandpaper, Morris bits and replacement stock feeder wheels

Saylor-Beall compressors--Top American quality with cast iron pumps, price include delivery in the continental USA

Delta Woodworking machinery. We do not sell machines made in Taiwan or China

Biesemeyer fence systems.

Bison metal lathe chucks and other tooling

Commander multispindle drill heads, many used in stock, very cheap, also spindles.

Baldor grinders, and buffers, great discounts, 20% off on most items, also Baldor motors, good discounts.

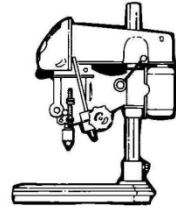

Northfield machinery

Quality new & used machinery in stock:

New Baldor motors 1140 rpm, single phase 1hp, TEFC, 184 frame, list over \$800.00, your cost \$225.00, same but ¾ hp, 145T, \$150.00

JOINTERS--Top American quality-dovetailed ways w/adjustable gibs, both tables adjust, blade guard, fence and manual.

- Delta 32 x 6 heavy duty jointer, excellent, original stand, single phase, \$525.00, machine only, \$250.00
- Delta 6 x 42 very original, open stand, original old style single phase motor, rare quality, \$650.00
- Delta 6" long bed, w/guard, original paint, 42" basic machine w/o stand and motor, \$375.00
- Delta Homecraft, very beautiful, original paint, 4" 27" bed, basic machine without stand and motor, \$120.00 (the longer one)
- Delta 4" Homecraft, basic machine (no stand or motor) nice American quality, original paint, \$100 (easy to ship UPS), 4 x 23.
- Rockwell 8" hand wheel adjustment, single phase, original American made quality, \$1375.00
- Delta riser for 4" Homecraft jointer (when used with table saw combo, or maybe you just like it higher). Excellent original paint, 4 ½ rise, \$10.00 with bolts.
- Delta metal base brand new, American made with original single phase motor and push button Delta switch with red/green rectangular buttons. This is the model where one side is angular. Comes with built in dust chute, \$350.00
- Inca, Swiss made 4" jointer parts all as new. Machine with cutter head, belt guard and belt. Fence and rear cutter head guard. Inquire for pricing.
- Delta 6" long bed, excellent plus, enclosed base. Nice Delta push button switch, new bearings, 42" machine. Original Delta single phase machine, \$725.00 with extra set of knives.

RADIAL ARM SAWS

1. We have some used parts for 12" Dewalt and Rockwell radial arm saw, (i.e) Dewalt base & legs, \$50.00, 3 phase motor for 12" Rockwell, \$150.00.
12. DeWalt/Black & Decker 12" parts machine, real nice, commercial quality, arm & carriage, stand and legs, blade guard, etc. , state needs, good prices.
13. Parting out a 3 phase 12" Rockwell model 33-702. Center pivoting turret
Leg set \$40.
Leg set with base, \$60.
Motor, \$125
Carriage assembly and motor, \$150.00
14. Rockwell radial arm saw single phase motor for 10" machine check #438 02 314 0786, 11 amps 115/230 volts. Runs smooth & quiet, \$125., (could be a good back up).
15. Delta adapter for 1/2" bore items. New old stock, in the box, #33-600 \$35.00
16. Rockwell adapter for 1/2" shank router bits, new old stock, in the box, #33-277, \$35.00.
17. Delta Adapter for router bits and sander #33-601. New old stock in the box, \$35.00
19. Delta blade guard for 14" Delta radial arm saw, excellent, original paint, \$65.00
Let us know if you need items not listed

TABLESAWS

2. Biesemeyer, Unifences, and Jet lock fences are in stock, price on request. New Biesemeyer 50" fence, \$425.00, stock 30" Biesemeyer.
3. Used Delta 9" contractors saw parts available, also parts for old 8" contractors saw, inquire, wings table, etc.
8. Nice old Delta Unisaw w/new 3 hp single phase, excellent, \$1050.00, without fence, reg. fence, add \$50.00 (other fence options).
11. Classic old unisaw with original switch and heavy duty original single phase 1 hp motor original fence. Includes guard and miter, beautiful chromed hand wheels, , \$990.00, a nice old one.
17. 34-425 10" Delta very original, single phase, \$275.00, old style, rear motor, heavy duty saw, 2hp.
20. Top for Delta cabinet saw, brand new in unopened crate, #422 35 391 0002, \$125.00 (Delta price \$472), can ship FedEx ground.
21. Unisaw top usable but damage where one wing mounts, needs to be redrilled, old style, \$75.00
22. Homecraft saw, , motor or wings, without stand. Original paint, 8" tilt arbor, hardly used, \$75.00
23. Delta Contractors saw, single phase, rear motor, jet lock fence, \$325.00
24. 10" Delta tilt tablesaw, excellent, saw only \$100.00
25. Unisaw original motor, fits old cabinets w/o modification, 1 hp 3 phase excellent, 1725 rpm, \$25, static converter, \$110.00
27. Classic Unisaw with original 1 1/2 hp single phase motor 115/230 volts, original toggle switch. With miter, guard, manual and good bearings, \$1100.00, for standard vintage fence and rails add \$50.00. Have Biesmeyers and other options.
29. Unisaw old style cabinet, cast base, original paint no dents, excellent, \$75.00, easy to ship.
34. Unisaw motor, 1 1/2 hp, single phase, original Rockwell, excellent condition, \$175.00, 115/230 volts
35. Powermatic 66 top, excellent, \$150.00
27. Powermatic 66 parts, have some, inquire.
28. Leeson 3 hp single phase 145TC motor for Powermatic 66, new but was scratched in shipping, \$250.00, old stock.
29. Extension wings, pair of the Rockwell/Delta Aluminum grate style for 10" contractors saw, \$65.00 for the pair.
30. Powermatic pair of fence rails, very beautiful for 24" capacity, \$60.00, rear only, \$30.00 ,front only, \$45.00
31. New in the box Delta Unisaw mobile base for saw and 50" Unifence #50-289 used with later model Unisaw with steel base, \$125.00
32. New Unifence 36-908 for 52" set up but w/o the long rail, \$200.00

UNISAWS, (always come with 2 cast iron wings unless noted)

- US1. Very original, 2 hp 3 phase unisaw, beautiful top and wings, original AB switch. Original door and lock knobs, original paint. With standard fence and rails, miter, manual and carbide blade. Nice chromed hand wheels., \$975.00,static converter to run it. HP drops 30%, \$110.00

UNISAW PARTS—exellent used.

1. Front trunnion bracket 422 04 014 5001, \$135.00
2. Rear trunnion bracket 422 04 014 5002, \$45.00
3. Raising shaft with worm 422 04 406 0001, \$55.00
4. Titling shaft with worm 422 04 406 5001, \$55.00
5. Motor bracket with shaft, 422 04 314 5001, \$35.00
7. Yoke 422 04 102 5001, \$60.00
8. Nice cabinet with cast iron base, \$75.00

Note: If you need several parts, let us know for package pricing. We also stock: New Belts, bearings, controls, pulleys, inserts, motors, arbor nuts, etc., matched set of 3 belts for 3450 rpm motor, \$17.00

SCROLL SAWS

- 1 Delta 24" 40-440, usually have, request stock check and price
2. Original Delta scroll saw stand for 24" saw, new \$100.00, used \$75.00
3. Delta scroll saw belt covers specify for variable speed for 4 speed, \$60.00 each.
4. Delta original scroll saw motor for 24" saw single phase original paint, \$125.00. Original Delta large button push button switch, \$40.00 (when purchased w/motor)
6. Delta, small "walking beam", like new or not used, single phase #40-540, made in China, \$95.00 Easy to ship and pack for Fed EX ground. Shipping in 48 states, \$20.00.

(Do not have the upper retracting cylinder)
 - a) Original stand, original paint, excellent. Later model, will disassemble for easy shipping, \$75.00
 - b) Like new original motor, single phase with knob on one end. LVC mag control 110 volt with nice red/green Delta square remote station , \$180. Just the motor, \$135.00
 - c) Tables, \$5.00
 - d) Upper large cast arm, \$30.00
9. Complete variable speed assembly for Delta 24" scroll saw (with belt guard), \$95.00
10. Hold down foot assembly with hexrod for Delta 24" scroll saw, \$40.00

11. Table with trunnion for Delta 24" scroll saw, \$10.00

NOTE: Along with the 100+ - American made drill presses in stock, I have a lot of parts, most good used, some new. Most Delta/Rockwell, but other Brands as well—Powermatic, Clausing, Walker Tuner, Arboga, Buffalo. The best way to inquire on a part or accessory is to fax, scan or mail a copy of your part sheet and circle the items you need. If you do not have a part sheet and would like a copy, let me know. It is not always necessary at times—a description will work at times.

DRILL PRESSES, ALL AMERICAN MADE, UNLESS NOTED, NO TAIWAN OR CHINESE MACHINES

ATLAS

1. Atlas original floor base, for 15" with 2 ¾" col., excellent, \$75.00
2. Atlas table with bracket, some holes in table for 15" machine, \$85.00
3. Atlas floor col., excellent, \$75.00

DOALL/ARBOGA

Excellent compact gear head machines, made in Sweden (3 phase unless listed other)

2. Arboga, made in Sweden, gear head drill press—we are parting this one out. Ask about column, table, head parts, base, etc.
3. Arboga 20" parting out, gear sets, crank table, etc., column diameter is about 4 1/8 items P.O.R.
4. Arboga mill, more details on the metal list, very beautiful.

POWERMATICS

1. 15" variable speed, single phase, bench model, \$475.00, floor model, \$625.00, w/1/2" Jacobs chuck, model 1150, 3" column.
4. Crank elevating mechanism, for 15" drill press, \$175.00, some bases and tables also available, state needs, good prices.
5. New Variable speed belt for model 1200, Powermatic 20" drill press, \$35.00
6. Excellent old style base, (light green), and floor model 3" column, \$175.00 (we can ship Fed ex ground or UPS in 2 boxes) 15" machine.
7. New, later style Powermatic base, column and tilt table, 3" column, gold color, \$375.00 (floor model)
8. Used Powermatic late model, (metallic green) 3" column, squared off style base, excellent, \$200., with tilt table, \$335.

POWERMATIC USED PARTS FOR AMERICAN MADE DRILL PRESSES

1. Original crank elevating handles for table screws with red knob, \$30.00
2. Cam and plate for the very old variable speed 15" machine (more details available if necessary). Speed plates are in good shape. Paint is original light green, \$20.00
5. Pinion for 15" Drill press, excellent, \$30.00
6. Quill, spindle, bearings assembly, excellent, used for 15" Powermatic, \$175.00, includes Jacobs chuck, (w/Morse 2 taper instead, \$200.00), with chuck and adapter, cheap price, both come with chucks.
8. Excellent speed chart for 5 speed, \$20.00
9. Depth stop clamp D-70, 2.180 ID for 15" drill press, excellent, \$30.00. Depth stop rod for same, \$20.00

PRECISION DRILLING

1. Precision drilling 10" swing, high speed sensitive bench model. Excellent/like new condition. Beautiful ground base. Real quality, made in Wakefield, Mass. Belt tensioning is done with a rack and pinion & dove tail. Head raises with a screw mechanism. 1/8 Albrecht chuck, single phase ½ hp 3450 motor, flat belt 2 speeds. Original work light, \$350.00 (note: top cover has a crack, I did not notice at first). Professional repaired and hard to notice.

SOUTH BEND

Assorted bench models, and floor models, \$500.00 and up, some parts also, beautiful 14" machines, (see South Bend drill press parts), excellent single phase head only, \$225.00, new bench column, \$15.00, two for \$25.00

WALKER TURNER, inquire

ZEWQ

1. Zewo small radial drill press, American quality, 3 phase, mounts on table, \$1100.00, single phase add \$100 for motor or \$165.00 installed, compact but heavy duty.

DELTA/ROCKWELL

EXCELLENT USED DELTA/ROCKWELL DRILL PRESSES (Proven American made quality), None made in Taiwan or China

1. 15" 6 + 6, single phase, floor model, regular tilt table, \$675.00, new list well over \$2000, do not confuse with Taiwan models! Have several with little use.
2. 17" floor model, late style w/large tilting production table, Morse 2 spindle w/Jacobs chuck, original paint, 3 phase, \$900.00, single phase, \$975.00. HD 3 ½" column machine, 3 piece spindle design.
3. 17" floor model, early style w/large crank elevating tilting table, single phase, \$650.00, three phase, \$500.00
5. 14" w/non tilt table, bench model, original paint and motor, single phase, \$225.00
6. 14" 220 old style, bench model tilt table, single phase, \$275.00, floor model, \$350.00, some options available, 115 volts.
9. 20" late style, 3 phase bench column to mount on your table crank head, variable speed, Morse 3 taper spindle, \$875.00, old style, w/Morse 2 taper spindle, not variable speed, \$350.00, complete floor model, very beautiful, with chuck, late style very slow speeds Morse 3 with ¾ chuck, \$1250.00 (all come with a chuck)
18. Bench model 11-100 11" drill press, very original, single phase, cast iron top cover, beautiful table, original paint, classic, \$200.00, easy to ship UPS or similar ½" chuck.
19. Delta bench model column and base, 2 ¾" column. Excellent, older style with rounded back, \$75.00 New style with square back, \$75.00 (very low price).
20. Late model 20" head with crank mechanism and full length column. HD 4 bolt flange at bottom. 8 speeds, light use, idler for slow speeds, original paint. Original single phase 1.5 hp Baldor motor, speeds form 180-2000, M3 Taper spindle, ¾" capacity chuck included, \$775.00.
21. Delta radial drill press, small, model 11-280, excellent, single phase, bench model, table is perfect, paint is original, \$275.00, very versatile machine.

DELTA DRILL PRESS PARTS

1. Excellent floor model column, (3 ½) for 17" drill press with floor model base, old style, \$225.00 ships UPS or FEDEX, base alone is available, base alone with flange, \$50.00, column alone, \$50.00
2. Mortising attachment for 220 Delta 14" drill press. Close to new with original manual and shipping slip. Includes mortiser #976, special spindle 974, #636 chisel (3/8), 526 chisel bushing and #516 bit, \$150. (later Delta #/s are available if needed).
3. Electric motor, old style, single phase, 1725 rpm, ½ hp, ¾ shaft made by GE, super quiet. Bolt holes are 5" across. About 5 ¾ in the vertical. Capacitor start, \$125.00 (fits some old 17" Delta drill presses and old H-10 South Bends).
4. Rear top belt cover for old Delta 4 speed 220 head, original, excellent, with mounting hinge, \$100.00
5. Original column and base for Delta high speed sensitive drill press. Easy to ship UPS or Fedex ground. Excellent, \$90.00
6. Variable speed motor pulley for 17" Delta drill press. Later style machine. Has 7/8 bore, excellent, \$75.00
7. New in the box 15-836 shaper arbor for drill press, \$75.00 ½" shank with nut & spacers (uses lock on collar).
8. New in the box 15-835 ½ arbor for cup wheel attaches to drill press, spindle, \$55.00 (uses lock on collar).
9. New in the box 15-833 Morse 2 adapter for Delta 15" drill press, uses lock on collar, \$75.00

10. Brand New 41-815, Delta, slow speed 5 step, (2-6), 7/8 bore drill press motor pulley, for 17" drill press, \$60.00
11. Delta 15-849 4 step slow speed attachment. Brand New in the box for Unidrill and 15" drill press. Comes with instructions & belts, \$150.00
12. Delta brand new in the box 17-836 booster spindle return kit for 17" Drill presses beginning with serial # 137-5800, \$70.00
13. Delta 17-881 brand new Morse 2 lower spindle and bearing assembly, \$225.00
14. Brand new in the case Delta ¼ chisel for mortise, 5/8 shank., \$25.00, made in USA, 2 for \$45, 3 for \$60., #11-634.

CLAUSING

Clausing American made 15 and 20" drill presses

2. Excellent, heavy duty 20" w/large crank elevating table, variable speed, w/2 speed motor, 3 phase, w/Morse 3 taper and drill chuck, \$1400.00

CLAUSING DRILL PRESS PARTS for 15" 5 SPEED MODEL. PARTS ARE EXCELLENT USED ORIGINAL

1. Motor step pulley, 5/8 bore, \$65.00
2. Spindle step pulley with bearing and spline bushing, \$85.00
3. Quill, bearings and spindle, Morse 2 taper, \$165. (add \$40 for Jacobs ½")
4. Hinge motor mount and lock part, \$35.00
5. Clock spring with housing, \$50.00
6. Cast collar for depth rod, \$30.00
7. Depth rod with nuts, \$40.00
8. Pinion and hub, \$30.00
9. Discounts on multiple items, availability can vary.
10. Excellent low speed motor 1150, 3 phase for 15" machine, 56 frame, \$40.00, ¾ hp (have new single phase Baldors as well, Inquire.
11. Quill clamp, holds the depth stop, excellent for 15" machine, \$40.00
12. Head clamp assembly, 4 pc. All original and excellent, \$35.00 for 15"
13. Quill lock handle, excellent for 15" machine, \$25.00
14. Depth scale, not new but excellent for 15" machine, \$8.00

BUFFALO

2. 15" bench model, heavy cast base, crank up head, nice, no intermediary tables are used on this model, 3 phase, \$150.00, single phase, \$200, you install motor.
3. Buffalo floor model base \$75.00 (more parts inquire).

MILWAUKEE MAGNETIC DRILL

1. Milwaukee magnetic drill, heavy duty, very beautiful condition, ¾" Jacobs chuck, (looks close to new also), \$875.00

SOUTH BEND DRILL PRESS PARTS AND ACCESSORIES

3. Used South Bend slow speed attachment, excellent, \$225.00
4. Excellent used pinion, \$50.00
5. Excellent used front top cast cover, \$45.00
6. Excellent rear cast top belt cover, \$120.00
7. As new bench model base with column, \$150.00
8. Excellent head casting, \$30.00
9. Used South Bend table crank mechanism, excellent, \$75.00
10. **SPECIAL**—Brand new original equipment. Bench model drill press column, \$20.00 each, two for \$35.00, 3 for \$45.00

SPECIAL SECTION, Many excellent parts for 17" Delta drill presses old style, if you need five items or more, 15% discount \$45.00

- a. Cast iron base, \$50.00
- b. Floor model column, \$50.00 (3 ½"), bench model col. \$20.00
- c. Slow speed spindle pulley 5 steps 4 3/8-8 ½, \$70.00
- d. Slow speed motor pulleys 5 steps, 2-6 ¾ bore, \$65.00
- e. Note (c) & (d) when purchased together, \$125.00
- f. Clock spring with housing and worm gear, \$45, add \$5.00 for top cover, w/o depth scale.
- g. Depth stop clamp, \$30.00
- h. Depth stop rod, \$30.00
- i. Top cover, \$20.00
- j. Bottom cover front & back, \$20.00
- k. Cast flange connects column to base, \$30.00
- l. Motor mount, \$25.00 with pins
- m. Crank handle for table raise, \$30.00
- n. Worm with bolt for clock spring adjustment, \$20.00
- o. Pinion with hub, \$25.00
- p. Column collar, \$20.00
- q. Rack, specify thickness, \$35.00
- r. Column thrust bearing for table or head raise, \$50.00
- s. Table bracket complete or part, inquire
- t. Tables, different types and condition, inquire
- u. Quills and spindles, different types, some new, inquire, have several options.
- v. Spring clip for top cover, \$5.00
- w. Square D 110 v mag control, late model, nice, size 00 with NEMA 1 enclosure, original paint, \$25.00, 2 for \$45.00
- x. Original Delta motor shaft cap., 3 bolt mount, \$20.00
- y. Compound gear for table raise, (specify diameter of smaller gear there were 2), like new, \$85.00
- z. Upper section of spindle, has male spine, \$35.00
- aa. Quill, \$45.00
- bb. Centerpiece of spindle, female splined, \$20.00
- cc. Good used lower part of spindle. Morse 2, \$100.00, new \$200.00
- dd. Depth stop clamp, rod and 2 stop nuts, \$75.00

WALKER TURNER DRILL PRESS PARTS, (FOR 15" UNLESS NOTED)

1. Clock spring case without spring, \$10.00
2. Spindle, quill & bearings, excellent, J33 type, \$100.00
3. Top cap., sheet metal type, \$30.00
4. Motor mount, \$15.00

5. Original ½ hp single phase driver motor, \$100.00
6. Table, some holes, \$50.00
7. Table—nice but chip out of apron, \$60.00
8. Head raising mechanism, \$100.00
9. Base, for floor model, round design, \$90.00 excellent.
10. Base, for bench model, \$55.00, excellent.
11. Motor mount, \$35.00 with pins.

DRILL PRESS PARTS AND ACCESSORIES

1. We have several Commander heads in stock, mostly model 900's, also spindles and related items, new & used, head, model 900 no spindles \$10.00, drill more than one hole at a time, real cheap prices, state needs, have a like new 700 head, \$325.00 with spindles.
9. New and used Jacobs chucks in stock. ½ Jacobs, used, \$40.00, New, \$82.00, large chucks available w/Morse 2 shank add, \$6.00, or M3 shank, have many up to 1" capacity inquire for pricing, have over 300 drill chucks, also Albreights, or see Metal list.
13. Delta slo-speed attachment for 17" drill press, excellent, 17-860, \$200.00, (New Delta List, \$1424.90)
16. Excellent used 5 and 6 step Delta Drill Press pulleys (some new as well), inquire for pricing, large and small.
18. Complete raising mechanism for 17" Delta drill press, used on head or table, \$150.00, , bearing and collar, \$45.00, combo gear, \$85.00
19. Chisel holding bracket for mortising attachment, fits 1 5/8 quill, nice American Quality, \$20.00
20. Floor model Clausing drill press base, (for 3" column) \$90.00
21. Motor mount for old Delta 17" drill press, \$25.00, old style, 2 pins, non tilting, \$15.00
22. Excellent table, base and column for bench model companion drill press, column is 1 5/8 old American item, \$20.00,
24. Quad head w/quill and spindle for Delta 6+6 or similar variable speed 15" drill press, \$100.00, rotates & indexes, new over, \$1000.00
25. Quad head w/driver for Delta 17" late model, (US made), drill press, \$100 (Driver is for Morse 2).
29. Old style cast iron top front pulley cover for 17" Delta, \$30.00
30. Foot feed for 17" Delta, excellent, parts only, inquire with needs.
31. Foot feed for 14" Delta, excellent, inquire.
33. Delta large production table crank elevating design, excellent plus condition. Have new ones for 17", good deals.--new in the box, way below Delta pricing, check with us
36. Walker Turner chisel holder casting for mortising attachment, \$30.00, check quill dimensions.
37. New Delta motor pulleys, 5 step for 17" drill presses, specify bore, \$75.00, high speed, possible spindle pulley bores in 5/8 or 7/8, may have others used.
39. 11-969 Drill Press Pilot wheel for 15" drill press, was \$89.46, now \$50.00, new
40. 15-810 Drill press column new, 78" x 2 ¾ in original box, was \$356.76, now \$95.00, USA, brand new in the box, ready to UPS or sim, good used, \$75.00
41. Albrecht chucks, made in Germany, the best, keyless, dismantled, cleaned , excellent condition ½" capacity, \$100.00, new about \$260.00, with M2 shank add, \$10.00, with R8 shank add \$23.00s
42. Stop collars for 2 ¾ in columns, original Buffalo, excellent, \$15.00 (shipping, \$5.90, 48 states).
44. Buffalo 2 pc. Top cover for 15" later model machine, spring loaded flip-up, excellent, \$25.00
45. Delta hinged bracket assembly for old 11" Delta drill press used on their old combo table saw, mounts on the side of the saw table, accepts their 1 7/8" column, \$20.00
46. Delta drill press table for 11" machine with 1 7/8 column, very minor holes, excellent, \$55.00
47. Rockwell new, American made drill press table for 15" machines, 15 x 11 ¼ has the nice clamping area on the two sides. Delta #402 04 091 5004. These tables fit the 6+6 and other Delta 15" drill presses, \$150.00 (ships UPS or similar).
48. General #825 drill grinding attachment, \$15.00\
49. Cast top cover labeled Rockwell/Delta for 11" drill press and small US made radial drill press excellent and original paint, \$65.00
50. Sears drill press spindle pulley, like new, uses the very thin belt. 8 speed, \$30.00
51. Powerfeed for 20" USA made Rockwell/Delta drill press, air driven. Rockwell # 15-101, \$60.00, I have 2, both for \$100.00
52. For later style 17" variable speed drill press with large center dial. Variable speed pulley with upper splined spindle and bearings, \$200.00
53. Excellent quill with Morse 2 lower spindle and female splined joining piece, \$160. Spindles will be checked.
54. Morse 2 Lower spindle for 17", checked prior shipping, \$100.00
55. Old style quill only for 17" drill press, excellent, \$35.00
56. Excellent 5 step pulley, DP 626 for high speed 17" drill press, 2 5/8- 6 3/8, 5/8 bore, \$55 (ask about other bores), same but unused, \$75.00
57. Base & column assembly for Delta high speed sensitive drill press, excellent, \$40.00
58. New spindle for 6+ 6 drill press, Delta, \$200.00, J33 type (male taper).
59. New original Delta 5 step drill press pulley 5/8 bore, 41-823, **SPECIAL**, \$55.00. Steps are from 2 ¾ to 6 ½.
60. New original Delta 6 step pulley 5/8 bore 41-833, steps 1 ¾ to 7 1/8, **SPECIAL**, \$55.00.

Parting out several 17" late style Delta/Rockwell drill presses

1. Complete top cover assembly w/hinge & bottom plate, excellent, \$60.00
3. Worm & pinion compound gear for table raise, excellent, ,specify dimensions, there are two, like new, \$85.00.
4. 5 step spindle pulley, P.O.R.
5. 5 step motor pulley, 7/8 bore, \$75.00 (check for other bore size)specify high or low speed or give dimension.
6. Some spindle and variable speed pulley components also, fax or write w/requirements, fair prices, good used.
7. We have many milling machines, ask for List "ML", or see website., fair return policy.

NEW DELTA ITEMS (in original Delta box unless noted):

- 2D. 34-641 blade guard for 10" bench saw, \$50.00
- 3D. 50-136 Motor plate for enclosed steel stand, \$45.00
- 4D. 34-569 Clamp attachment for miter gage, \$30.00
- 5D. Variable speed kit for converting 24" scroll saw, \$120.00
- 6D. 1459 Plate to mount 1320 switch to Unisaw, \$40.00
- 7D. 49-318 Starter mounting bracket (believe for drill press), \$35.00
- 9D. 43-803 Special pulley for motor on light duty Delta Shaper, ½" bore.
- 10D. 43-804 Special motor pulley for light duty shaper, ¾ bore, \$30.00
- 11D. 43-805 Special motor pulley for light duty shaper 5/8 bore, \$50.00

12D. New Delta helical gears for wood/metal band saw, inquire.

DELTA SHAPER PARTS

1. New in the box LD Delta Shaper motor pulley, 5/8 bore, 43-805, \$42.00

SHAPERS & OVERARM ROUTERS

4. Nice old Delta shaper, heavy duty, 3 phase w/regular fence 1/2 + 3/4 spindles, \$850.00 without doors (note: these have cast iron rim on bottom).
5. SCMI HD 3 phase 2 speed motor, 3/4 spindle, nice heavy table made in Italy, comes with fence from older Northfield, customer will drill table for fence. \$1000.00
8. Old Delta with new 3 hp single phase motor, mag control, reverse 1/2 + 3/4 spindle, \$1200.
10. Delta old style HD wood shaper cabinet. Excellent, no dents, original paint, cast iron rim on bottom, no doors, \$85.00 (check with freightquote.com—Class 85, 100 lb, my zip is 05032. I have loading docks.
11. Delta HD shaper, very basic, may be nice for dedicated set up. Not original doors, just covers. No fence, 3 phase, no wing, runs well. I have some trouble reading the motor tag. I believe 2 hp, very large original Delta motor, \$325.00 For wing add \$50.00, for 3/4 spindle, add \$75.00. Has a 1/2" router bit adapter.
12. Brand new Delta HD shaper cartridge old style with 2 speed pulley, \$275.00 with new 3/4 spindle, \$400.00
13. Powermatic, 1" spindle, very large machine, believe made in Italy, nice fence. TS 120, 4 speed. Top 27 1/2 x 43, gold color, excellent, 16.6 amps at 230 volts, \$1450.00
14. Powermatic, gold, USA 1" spindle excellent, 3 hp single phase with fence and guard, \$1100.00, Model 26.
15. Delta, light duty shaper. Made in the USA. Close to new. Cabinet type base, 1hp single phase, 1/2" spindle, original fence reversing switch, \$350.00
16. Very old Delta LD shaper, excellent, inquire.
15. Delta, very original, original paint. Very nice machine with large fence and dust chute, 3 hp, 3 phase original motor, \$1100.00

CUTTERS

1. All Cutters are new in the box
2. All cutters are made in USA unless noted
3. J (Made in Japan)
4. All Deltas are carbide unless noted other.
 - b. Freeborn MT 54-003, 3/4 bore, raised panel, tantung for 3/4 material, \$125.00
 - c. Freeborn PT 14-003 tantung 1 1/4 bore, \$175.00, raised panel
 - g. Delta door lip 43-900, \$30.00 3/4 bore
 - j. Delta door lip 43-991, \$30.00 (J), 3/4 bore
 - k. Ogee Delta/Rockwell 43-996 (J), 3/4 bore, \$60.00
 - l. Delta/Rockwell door lip 43-993 (J), 3/4 bore, \$30.00
 - p. Delta 12 pc spacer set, 43-309, \$25.00

DELTA HD SHAPER PARTS

1. Top, some small holes, \$75.00
2. Original single phase induction repulsion 1 hp shaper motor, \$200.00
3. Main casting that bolts to the top, \$125.00
5. 3/4" spindle with nut and safety washer, \$110.00
6. Many other small parts available, let me know what you need(Detailed description and part # if possible).
7. Delta HD old style shaper bearings cartridge single pulley, new bearings \$150.00

GRINDER, American Made Only, hard to find, 20% off on new Baldor grinders.

1. New 6" Baldor, \$165.00 (in stock, single phase).
3. Baldor 6" slow speed 1800 RPM, in stock, super special, Deluxe model, single phase, 20% off.
5. Delta Rockwell new cast iron end wheel housings & covers for American made 10" grinder, 4 pieces, \$10.00
6. Grinder accessories, original new Delta wheel dressing attachment w/o the diamond tool, \$50.00
10. Rockwell HD 3 phase 230/460 10" grinder with original cast pedestal, excellent with mag control and Delta square push button remote. \$400.00, A BARGAIN
13. Single phase 7" Baldor, excellent, \$250.00
15. Delta 7" 1800 rpm single phase grinder. Cleaned and painted, excellent, but shields need light sockets, \$300.00
18. New in the box 23-841 Al. oxide 46 grit grinding wheel for 6" tool grinder grade G, \$55.00
19. New 24-805 Delta diamond, in original Delta carton, \$30.00
20. New Delta 24-973 white 1 1/4 bore 6" dish grinding wheel, \$10.00, 3 for \$25.00
21. Brand new in Delta box, tooth stop unit, #24-970 for Unihead, \$55.00
22. Brand new in box Delta step pulley for grinder 1/2" bore #24-817, \$40.00
23. Brand new in the Delta box, 23-196 drill grinding attachment, \$200.00

PARTS FOR DELTA AMERICAN MADE 6 x 48 SANDERS AND 12" DISC SANDERS, OR COMBOS

1. New Delta drum 1/2 for drive drum on bottom, \$65.00
2. Have many parts for aligning and raising idler drum assembly. Inquire with needs and for prices. Many other parts as well.
3. Cast sub base for 6 x 48 belt, \$45.00
4. New lower drive shaft, \$40.00

SANDERS

1. State 16 disc sander. Excellent, light pattern shop use. Model D16, Serial # 5283, 1.5 hp, comes with Baldor/State dust collector and bag., miter gage, mag. control, drum switch and manual. Table is 22 x 9 1/2. Crank elevating table and crank tilt., \$1750.00
3. Delta 6 x 48 belt sander, single phase, excellent, \$600.00
5. New 52-611 Delta late style cabinet sander, stand used on 31-730 or 31 550 in original carton w/pushbutton switch and single phase motor, 1 1/2 hp. Current list, \$612.00, your cost \$300.00, a bargain, ships UPS
10. Upper idler casting for Delta 6 x 48 belt sander, excellent, \$30.00, castings only, with shaft bearing and wheels, \$165.00, rebuilt..
11. Lower wheel, excellent, both 1/2's, \$80.00, upper pair excellent, \$80.00
18. New in the box Delta Stand for 12" disc sander 50-139, \$120.00 (way below list), can ship UPS, cabinet style.
23. Delta 12" disc sander parts, base casting 416 02 005 0001, excellent Delta list, \$192, price, \$60, lower guard, 416 02 054 0002, Delta List, \$184.00 price, \$45.00 (also called table support), check on other parts.
26. Kalamazoo 2" belt sander excellent with single phase Baldor motor, \$250.00
28. Delta, import Taiwan, single phase bench mount belt and disc sander, about 8" disc and 2' belt, quite heavy, hardly used, \$100., model # 31-340
30. Delta 6 x 48 sander fence for edge sander, no studs or handle locks, rest like new or excellent, \$55.00

PARTS FOR DELTA 6 x 48 BELT SANDERS

1. Excellent pair of bottom drums, \$80.00
2. Excellent pair of top drums, \$80.00
3. We have many parts for the Delta/Rockwell 6 x 48 sanders such as: New bottom drum ½, \$50.00, new bottom drive shaft, \$40, many other parts as tables, brackets, upper drums, etc. inquire. Table & bracket for belt, \$85.00

SANDING BELTS AND SANDPAPER (all New)

1. Belts 1 x 42, 80 grit, \$2.00 each
2. Belts, 1 x 24, 3M, \$2.00 each

SHEET METAL EQUIPMENT

1. Craftsman bench model Knibler, excellent old American quality, \$30, with small single phase motor add, \$25.00
2. Beverly type shear made by Armstrong Blum, knives are excellent, 4", action is on a heavy adjustable dovetail, \$325.00 opens to ¾ in front, minor nick in one knife, very minor.
3. DiAcro 24" press brake, very nice piece with original DiAcro stand, original paint, \$1500.00

ELECTRIC MOTORS (ppd--means we pay shipping in 48 states)

SPECIAL REDUCED TABLESAW MOTOR PRICES

New Baldor unisaw motors .single phase, special mount. 3 hp, POR plus \$40.00-\$65.00 for shipping 48 states. Stocking 300 American made motors such as:

1. New matched set of 3 Unisaw belts for 3450 rpm motors, \$17.00
5. New ¾ hp single phase, good for drill presses, 1725 rpm, totally enclosed, \$185.00, ships UPS, Baldors, 1 hp \$210.00, 56 frames, both Baldors.
7. Super cheap prices on new & used three phase (i.e.) new Delta ¾ hp, \$20.00, three phase, old style.
8. New ½ hp DC with control box \$250.00; ¾ hp, , Baldor or Leeson, while stock lasts.
13. New Delta ¾ hp 3 phase, was on a new jointer, \$30.00, get a back up at this price, variable speed.
17. 3 phase right angle gear motor output RPM 36 ¼ hp like new, \$25.00, could run a small metal cutting bandsaw.
19. New Delta (Baldor) 3 phase ¾ hp TEFC 1725 rpm, motor \$40.00
22. Like new old Delta 66 y frame 1740 rpm, ¾ hp fits most old 17" drill presses, 3 phase \$30.00, single phase, \$200.00, New Baldor available also, inquire, in stock ½ hp and ¾ hp, new \$250 and \$290, ¾" shaft.
23. Used 5 hp 3 phase for Powermatic 66 table saw, excellent, 5 hp, \$250.00.
28. Late model 3 phase, 1 hp, 3450 rpm motor from Powermatic 8" jointer, excellent, TEFC, \$15.00
32. Very original Delta 1 ½ hp 3 phase 1725 rpm motor for Unisaw. Fits in old style cabinet, \$75.00, (good for back up).
38. New, inline, Bodine single phase 1/3 hp gear motor, \$80.00, great for small metal cutting, bandsaw
39. New Motortronics programmable inverters, made in Taiwan, 1 hp cap., single phase, input 3 phase variable speed output, \$200.00, post paid in the 48 states.
40. Baldor 1/3 hp 56 C frame 3450 TEFC motor, excellent, single phase w/ switch, nice for a pump or small dust collector, \$35.00
41. Almost new 3 phase 208-220/440 Baldor TEFC 184 T frame, 1140 rpm motor, M3614T, new list 441, your cost, \$135.00, 2 hp, slot that drill press down 33%.
42. New, old stock, 1 hp single phase TEFC Baldor 184 frame, 1140 rpm, (List over \$800.00), \$225.00, a bargain, 74 lb.
43. Baldor 5 hp 184 T frame, like new, 3450 rpm TEFC (from Powermatic 18" planer) 3 phase, \$90.00, nice metallic green.
46. Unisaw original 5hp 3 phase motor, excellent, 230/460 volts looks close to new, \$275.00
47. Original ½ hp Atlas single phase motor, excellent, capacitor start, 1725 rpm, \$85 plus \$14 shipping.
48. Sear/s Craftsman old style, double shaft with switch, very clean, ½ hp, 1725 rpm, single phase 110 volt, with switch, \$65.00
49. Delta 1/3 hp 1725 scroll saw motor with switch, single phase, double shaft with knot on end, could use paint, \$75.00
50. Baldor HD DC motor 1725 rpm 90 Volt Arm., 100 volt field., regular base as well as "C"face mounting, 56Cframe TEFC, \$150.00
51. Franklin Electric, nice clean 56 frame 3 phase, 1 hp, 3450 rpm 5/8 shaft, 220/440, \$15.00
52. Baldor 2 hp 3 phase, 3450, TEFC, 145T frame, very nice motor, \$90.00
53. Westinghouse, ¾ hp single phase, dual ¾" shaft fits the old 17" Delta drill press and some other old machines, has end cap. 1725 rpm, \$85.00
55. Baldor, TEFC, 3 phase, 3 hp, 182T frame, 3450 nice HD motor, \$95.00
56. Rockwell ½ hp 3 phase, 1140 rpm 56Y frame, painted, \$35.00, set some slower speeds, nice for a drill press
57. Howell, ¾ hp, 3 phase, slow speed 1140 rpm, 56 frame, very nice motor 208/220 volts, \$65.00 (Clausing color).
58. Brook Compton Parkinson Motors, made in England TEFC, 60 hertz, like new, metric frame 3D 112M, 3470 rpm, 230/460 volts, 4 kw output, 13/6.5 amp. Beautiful motor, \$60.00
59. Baldor, single phase, 143T frame, nice motor, ¾ hp, slow speed, 1140 rpm, \$150.00
60. Rockwell single phase 56 frame, 5/8 shaft nice motor original paint, 3450 rpm, \$50.00. Could be used on a small table saw, jointer ½ hp
61. Baldor 3 phase 208/230/460 3450 rpm 213T frame, excellent top quality motor with square D 230 volt properly sized magnetic control with remote station, \$225.00, without control, \$150.00
62. New old stock in the box BALDOR ½ hp 1725 66 frame old style frame single phase L3576 M TEFC, 115/230 volts \$250.00
63. Beautiful 11" Logan single phase motor ½ hp 1725 rpm complete with cord, drum switch and original 2 step Logan pulley, \$240.00
64. New in the box, Magnetek, ½ hp 1725 rpm auto reset, resilient base, 115/208/230 volts reversible 56 frame 5/8 shaft sleeve bearings, made in the USA, \$110.00
65. US motor late style nice 3 phase motor 208/230/460, 254T frame, finned motor, 15 hp, \$150.00 (could make a nice converter).
66. DC ¼ hp original Hardinge with control/rectifier. Excellent Westinghouse motor, \$85.00
67. Leeson single phase mechanical variable speed gear motor, 0-400 rpm TEFC motor, ½ hp, 5/8 output shaft. Preferred direction facing shaft is CW. Like new. Gear shaft is in line with motor shaft, \$225.00
68. As new Craftsman motor, was put on an machine new and never wired, ½ hp, USA made, 1725 RPM, 56 frame, dual shaft ½ + 5/8 single phase, \$85.00
69. New in unopened box Craftsman, 1725 rpm 56 frame, ½ hp, dual shaft ½ +5/8, \$120.00

EXPLOSION PROOF MOTORS

1. General Electric ¼ hp single phase, excellent, runs quiet, 115/230 volts, 5/8 shaft, 56 frame, 1140 rpm, nice heavy duty motor, \$75 (could be used on a drill press).
2. General Electric ½ hp single phase, excellent, runs well 1725 rpm, 56 frame, 5/8 shaft, nice heavy duty motor 115/230 volts, \$100.00
3. Baldor 3 phase 1 hp, 1140 rpm, 56 frame, 5/8 shaft, with heavy duty explosion proof conduit box, \$100, excellent, runs well, 220/440 volts.

VINTAGE MOTORS, motors are run before they leave here

- VM1. Delta Unisaw motor, original paint, excellent, made by AO Smith. 2 hp 3450 rpm, FITS in the old cabinets with the "oval motor opening", \$150.00. Add \$115.00 for new static converter to run on single phase 230 volts at about 70% rated hp. New Delta pulley if needed, \$42.00. Matched set of belts, \$17.00
- VM3. Unisaw 1 hp 3 phase 1725 rpm special motor, excellent \$40. (pulleys are often available as an option), fits in old cabinets.
- VM4. Unisaw 1 ½ hp single phase 115/230 volt special motor. Excellent Rockwell vintage. Does not fit in old cabinet with "oval" motor opening w/o modification, \$200.00
- VM7. Unisaw 1 hp single phase, beautiful 1725 rpm, original paint, etc. \$325.00. Pulley, when purchased with motor, \$65.00
- VM8. Very old Delta/Milwaukee 1/3 hp 3 phase 1725 double shaft with/cap., excellent ½" shafts, 66-110 #, \$30.00
- VM9. Delta, older, single phase scroll saw motor 1725 rpm, 1/3 hp, original paint double ½" shaft, excellent, motor plate came off, \$85.00
- VM10. Delta, old HD, 1725, ½ hp, ¾ shafts w/cap., single phase. IR used on many old 17" drill presses etc., \$175.00
- VM11. Hoover, black, 1/3 hp, 114 2A frame, double 5/8 shaft, resilient mount, single phase, attached switch, pretty motor, \$90.00
- VM12. Delta 2 hp 1725 very nice ¾ shafts with cap. Original paint, 96-329 frame F66Y, \$135.00
- VM13. Delta 3 phase 1140 rpm 56Y frame, excellent, \$45.00
- VM14. Delta 3 phase Unisaw 2 hp motor, later style will not fit in old style cabinet, \$65.00
- VM15. Delta single phase IR, (induction Repulsion) 1 hp 1725, ¾" shafts with end cap, painted orange, \$145.00, 181 frame
- VM16. Delta, single phase, IR, 181 frame, 1725 rpm, 1 hp, ¾" shafts with end cap. Pretty motor., \$190.00
- VM17. Delta 3 hp 3 phase Unisaw motor, \$220.00
- VM18. Atlas, black, 1/3 hp, single phase, 1725 rpm with separate switch, 116G Frame, (old style), nice, \$90.00
- VM19. Rockwell, single phase, original paint, beautiful capacitor start motor, ¾ shaft, ¾ hp, D66Y frame, #82-910, \$235.00, fits many old 17" drill presses.

VARIABLE SPEED BELTS

1. Dayco 2322V601 Cog-belt, max width 1 7/16", 60 ½ length, ½" thick, \$20.00

ELECTRICAL WIRE

4. Piece of 12/4, \$1.00 per foot, excellent.
5. Let me know your needs and approximate length, have some 10 and 14 ga as well.
6. 6 gage 4 wire soft extension cord copper wire, as new, type SOW, 16+ feet, sunlight and water resistant, \$55.00
7. 12 gage 4 wire soft extension cord copper wire, as new type SOW, 9 feet, \$15.00
8. 10 gage 4 wire, soft extension cord copper wire as new, about 35 feet, type SJEOW, \$40.00
9. Extension cord, 3 phase 4 wire 10 gage soft copper with male and female twist lock 20 amp 250 v 3 phase plugs. Type STOW about 30 feet, like new, \$45.00
10. About 30 feet 12/4 soft extension cord copper wire, type SO, as new, \$45.00
11. Extension cord, heavy duty, excellent, 10/3 single phase with male & female 30 Amp twist lock plugs, (if you need details on plug, let me know), \$50.00
12. Soft HD Royal wire, 8 gage, 3 wire single phase, like new about 52 feet, \$75.00

COMPRESSORS, new Saylor-Beall available at discount prices, free shipping on compressors.

1. COMPRESSORS—We sell new Saylor Beale made in USA, good prices, free shipping, don't settle for "throw-aways" (i.e.) 5 hp single phase 23 FACFM 80 gal vertical tank, \$1979 delivered in 48 states, 5hp 3 phase \$1879, delivered in the 48 states, \$1799 without a motor delivered in the 48 states and comes with belt guard, motor sheave and belts. Big slow cast iron pumps. We have good pricing on compressor motors & magnetic controls (at times there are \$100 mfg. rebates), 60 gal vertical tank, deduct \$50., mag. Control/Furnas single phase, \$100.00
2. Grainger/Speedair, 30 gal tank, twin cylinder, single stage, clean, pumps very well. Changing to single phase 2 hp. (I did not see a model # on the pump). Regulator and gage included, \$300.00
3. Like new 80 gal tank, \$80 vert.
4. Like new 60 gal tank, vertical 3 hp single phase with small USA made 2 cyl. Pump, with pressure switch, single stage, \$400.00
5. Heavy duty older but good pump and about 7 ½ hp three phase motor 2 stage, works well, \$200.00, possibly a good backup.

DUST COLLECTORS

3. Like new 2 hp, three phase for 55 gal. drum, older unit, \$175.00, 1 hp single phase units, no bag, \$125.00, bags are available.
11. Drum type, ½ hp single phase, American made for small drum, excellent w/bag, \$160.00, 1/3 hp \$135.00
12. New box of rectangular bags for Torrit/Donaldson #80 Cotton Sateen 30 PC dust collector brand new in original box, stored in heated dry area (have 3 boxes), \$100.00, 3 for \$275.00, these are for the units used on grinders--fine metal dust, a very low price, get a back up.
15. Delta/Cincinnati Fan, late model, USA, goes on about a 20" drum, ½ hp, 115 volts, single phase with switch and collection bag, \$200.00 (Good for a small planer or other machine), excellent condition.
16. 2 bag 3 phase unit, made in Italy, 4 hp 3 phase, portable, \$350.00

PLANERS, American made

We sell new Northfield as well as used machines

1. For Powermatic 18" planer--knife grinding attachment parts, also some 20" parts, bars with carriage from \$225.00.
2. Parks planer 12" for parts, state your needs have 2 parts machines, head, etc.

13. Male three phase plugs carefully state configurations, \$10.00 each, matching females if have, \$20.00 each, pair \$25.00 wall mount three phase receptacles .
14. Like new transformer 120 volt in 4-8-12-20-24 output 100 watt made by Edward w/enclosure, \$20.00
15. High voltage ITT test meter, DC only--up to 42 K volts, believe new, w/case, \$10.00, model 4242-A.
17. New in the box, Rockwell/Cutler Hammer overload switch #49-365, \$7.50 each, 2 for \$10.00
20. Like new dual voltage Furnas magnetic control, single phase, 230v up to 3 hp, 3 phase, up to 7 ½ hp, 220/440 coil, \$50.00
21. New Century/Magnatek 1725 ½ hp ODP motors, old stock, original cartons, \$75.00, same but TEFC, \$100.00
22. New in crate 5 hp 3 phase, 220/440 GE 1740 rpm ODP motor, 184T frame, 1 1/8 shaft, heavy duty, \$100.00
23. Craftsman, single phase 56 frame 3450 rpm 115/230 volt motor w/switch, ODP, w/double 5/8 shaft, \$25.00
24. New in the box Cutler Hammer NEMA 1 Enclosure only for late style #3 starter, \$20.00, inquire for dimensions.
25. Special manual push button motor starters, specify first and second choice: Allen Bradley, square D, Cutler Hammer Furnas, GE, \$20.00 each, two for \$35.00, Don't use light switches for your machines.
26. Like new or new Baldor 90V DC ½ hp motor w/new or as new 40 to 1 right angle drive, \$150.00 (rectifiers available, inquire)
27. New Delta 3 hp motor "take off" single phase from new LH tilt machine, \$325.00

We are master distributors for Baldor, Leeson motors. Many motors in stock and priced to sell.

We also recently purchased several new Delta cabinet machine stands many w/motors and controls, for band saws, jointers, etc.

Check for availability and pricing, if not shown (fax or e-mail us)

29. Allen Bradley inverter w/display, 230 v, 3 phase input, 3.2 amp output, 230v, 3 phase, \$75.00
30. Inverter AC tech 3 phase, 200-240 input hp 2 KW 1.5, output 200-230, type 1 enclosure with display, H3 0-12- model M1220 B SN9487L6, \$200.00
31. Minarix 1/8 hp shunt wound DC rectifier w/reverse and high low range. Needs cable fitting for output, \$25.00, Model SL52
32. Staco reostat KVA .7, 5 amps, like new, \$35.00
33. New Altivar (Square D), inverter, #18 1 hp max, 200/240 volt, w/readout, input single phase, 200-240v, output.5-320 Hz, 3 phase, 200-240v needs output wire. Inquire, Serial #8719190094, \$175.00
34. Bodine DC rectifier w/torque control forward and reverse, like new, 1/15 hp, \$40.00, missing two knobs, \$50 with knobs.
35. Inverter 460 volt, 3 phase, XLT 3 polyspede model XLT3-51FG output 8.6 amp 1-230 Hz w/display, inquire, made by EXT in Cortland, NY, \$125.00
36. New Electrical box enclosures made by Hammond in Canada, 8 x 6 x 8, \$10.00 each, 2 for for \$15.00
37. Original cast, Walker Turner "Driver" single phase motor, 1/3 hp 1725 rpm, 5/8 shaft, \$75.00, ½ hp , \$100.00
38. Wire soft extension cord type, 10 gage 3 wire believe new, inquire with needs, good prices.
40. Rectifier, ¼-2hp, 115/230 volts made in USA by Reliance, with pot. Brand new in original carton, DC1-404 230v/180 out or 115/90 out. With book of instructions, \$150.00
41. Square D breaker box with 30 Amp 3 phase breaker, excellent, clean, original paint, \$30.00
43. Fused disconnect box, like new GE single phase with 20 Amp fuses, 3 hp cap., #S4371, \$25.00
44. Excellent fused disconnect box w/10 Amp fuses, 3 phase, ITE brand. Cat. H F351, Amps 30, 3 phase, 480 volts, \$20.00
45. 49-513 Delta new old stock grounded cord & plug, 14 gage, \$10.00, very heavy duty, 115 volt plug.
46. Brand new in the box. 49-530 Delta control transformer 208/230/460 volt primary, 115 v secondary, \$20, 3 for \$50.00

3 PHASE TRANSFORMERS

1. Hevi-duty 6 KVA 480/208/120 cat #HT1F 6AS Type HT, excellent, enclosed, \$200.00

BLOWERS

1. Dayton blower with radial chip impeller for sawdust, etc. 1 hp 3 phase, \$100.00

SALE ON EXCELLENT USED MAGNETIC CONTROLS WITH NEMA 1 ENCLOSURES AND CLEAN

1. Furnas dual contactor 230 volt with forward/reverse/stop remote uses "H" type heaters, \$25.00, order two or more, deduct 10%
2. S & S magnetic control with push buttons 230 volt, \$35.00
3. GE dual contactor 230 volt, \$20.00
4. GE 115 volt coil, contactor only, size 7 ½ hp at 230 volt, like new \$35.00
6. Arrow Hart, new, dual contactor 24 v control coil, no heaters, 3 hp at 230 volt, 3 phase (2 hp at single phase), no heaters included, \$10.00
7. Arrow Hart, new, 230 volt control, no heaters, with manual/auto switch, \$25.00
8. Furnas/South Bend dual contactor, with forward/reverse/stop remote, like new 3 hp cap at 230v 3 phase, (460 available) present "H" type heaters are for 7.35 amp. \$60.00
9. Toshiba, made in Japan, nice with adjustable heaters to 9 amps, with nice square "D" remote 230 volt, \$30.00
10. Siemens, made in Brazil, adj. heater up to 16 amp, excellent, clean, 230/460 coil, \$30.00
11. Square D nice clean fuse box/disconnect, with 3 fuses, \$15.00
12. Cutler Hammer, 3 hp at 115 v, 7 ½ at 230 volt dual contactor. Like new, no enclosure, \$25.00
13. Allen Bradley, size 2, new in the box, perfect, 2 speed motor control, NEMA 1 enclosure for separate winding, double contactor, \$125.00 a very small fraction of the original cost.
14. Cutler Hammer, excellent 9 pole drum switch. Used on Bridgeports and many South Bend lathes, \$55.00

Motor Specials--Top American Quality

Original ¾ hp 1725 Delta induction repulsion motor, frame 180, original paint, dual ¾" shafts, \$200.00, single phase, fits some of the old 17" drill presses.

DP876 Bracket for drill press footfeed, \$12.00 each

SPECIAL 3 PHASE MOTOR SALE

- 1M. Baldor TEFC 56 Frame 220/440, 3450 rpm, 1hp, \$25.00, excellent.
- 2M. Baldor ODP 1 ½ hp 143T frame 220/440 3450 rpm, beautiful motor, \$35.00
- 3M. Large 15 hp late style with fins, \$125.00
- 4M. Baldor 10 hp 3450 184T frame like new, \$125.00

USED MOTOR AND GEAR MOTOR SPECIALS

1. Variable speed in line 3 phase 230 volt gear motor, ¾ hp, heavy duty TEFC, like new condition, made in Italy, \$100.00
2. GE C face 56 C frame single phase 230 volt, O.D.P. late model capacitor start, \$40.00 each, ½ hp 3450 rpm.
3. Dayton 3 phase, very late model 184 T frame, O.D.P., 230-460 volt, 1740 rpm. \$80.00, 5 hp.
7. Delta 3 phase, 1 hp, 208 volt, dual shaft, 66 frame motor, like new, 1740 rpm, \$25.00, ¾ shaft.
8. Nice GE 5 hp 3 phase 184 T TEFC 1725 rpm late style motor, \$75.00
9. Excellent 185 frame 2 hp, 3 phase, \$40.00
10. GE TEFC late model 1725 rpm, 3 phase, 184T frame, 1 1/8 shaft, \$80.00

PLUS

Never used, Wagner high volume low pressure spray system w/gun, cart, pressure pot, and compressor, Model CS8000, \$475.00
Delta 12" swing standard duty wood lathe parting out, cabinet, base, etc.

SPECIAL NEW IN THE BOX--New Baldor 115/230 TEFC 184 frame single phase, 1140 rpm, 1 hp (list over \$800.) price, \$225.00

SPECIAL For 16" Walker Turner Bandsaw:

Excellent table, \$125.00
